Report on the in-house discussion on recent policies and regulations.

Knowing education policies and regulations is essential for the smooth running of the education system. Education policies change due to the fulfilment of social needs. Different laws and rules are essential for the smooth running of the education system. Not only for education policies, but other policies like population and environment are implemented by the government from time to time. So it is necessary to be concerned about these policies as well as regulations. In this backdrop, all the teachers of Sevayatan Sikshan Mahavidyalaya discuss the Different types of government policies from time to time with each other.

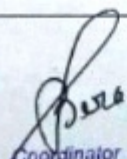

Objectives:

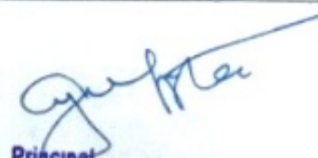

1. To create awareness about recent changes in the education system.
2. To know current issues in education.
3. To generate consciousness regarding rules and regulation in education.
4. To change the student according to the new demands of society.
5. To update himself or herself with respect to time.

Nature of Activities:

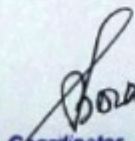

To generate awareness among teachers regarding changes going on in the education system, teachers of Sevayatan Sikshan Mahavidyalaya conduct discussion sessions from time to time. This effort is to update teachers with the scenario. The different policies that have been discussed from time to time are mentioned below.
