A Brief History of

SEVAYATAN SIKSHAN MAHAVIDYALAYA

The history and heritage of Sevayatan Sikshan Mahavidyalaya is undoubtedly as old as Eden and far as the stars.

This premier Centre of Education and Training owes its origin to the tireless strivings and altruistic outlook of Revered Swami Satyananda Giri Maharaj widely known as the Principal maker of Sevayatan at a time when this locality was sparsely populated and the population of this obscure locality scarcely experienced the ray of learning and modernity.

The mendicant monk felt an urge to establish this teacher's training college in the year 1959, sponsored by the Govt. of West Bengal in Sevayatan locality and kindled the light of knowledge and leading. In the nascent state the college had to face and brave innumerable hurdles. The sapling of the past has become a full grown tree in the present. The college is now in a burgeoning state conceptualised in a sprawling building likely to provide infrastructural facility to the trainees. Currently two spacious classrooms have been constructed with UGC financial aid for M. A. in Education classes likely to start formally. In addition this college has one boys' and two ladies hostel to provide accommodation to trainees/students from distant places.

Of late the entire college building has undergone facelift and wears a new and attractive look. To ensure safety and security to the students lofty boundary walls have been constructed surrounding the whole college campus. Moreover, this college strives to blend the educational ideal of ancient India with the requirements and modifications of modern times in order to disseminate knowledge and learning to produce holistically developed individuals with eclectic vision.

However this college has reached the pink of progress and glory under the dedication and efficiency of the all the teaching and non-teaching staff of the college. Their ceaseless striving and innovative role helps the outstanding academic progress of the Institution. Precisely speaking, this college has come a long way and has carved out niche for itself in its aim of dissemination of quality education in the academically challenged "Jangal Mahal Area".

Probably it would not be an exaggeration to remark that the pedestrians on the way in close proximity of the flower garden would seldom take their eyes off the beautiful flowers that smile and bloom in the frontal garden of the college.

Lastly: " A good teacher affects eternity; he can never tell where his influence stops." - Henry Adams.

Principal's Column:

"A Teacher is a compass that activates the magnets of curiosity, knowledge and wisdom in the pupils". - Ever Garrison.

The success of any nation depends on the youth who further depends upon the quality of instruction. New age education is dominated today by **DICE - Design, Innovation, Creativity and Entrepreneurship**. It is important to orient young minds in understanding innovative learning practices to capture the new elements of DICE. Knowledge and its application is the only way, by which this can be achieved. The role of the teacher may have changed but the teacher still remains a vital guide and leader in a student's educational journey. No other profession is designed to have such a transformative effect upon the lives of individuals in our society than teaching. We intend to keep working to help our current and future students to advance in their careers and achieve their goals.

Sevayatan Sikshan Mahavidyalaya is consisting in a vast area. Well maintained garden, many large class rooms, one Boys & two Girls' hostels, a large football ground and green surrounding are offering a real educational environment. I think that this educational institution will fulfil and satisfy the expectation of the trainees.

The college has completed a very successful 65 years of great glorious educational service to the society. It's a time we ponder what has been achieved during this long period and renewed resolve for filling a social need.

It was the vision of our founder members that this institution should provide selfless service in the field of education. **Sevayatan Sikshan Mahavidyalaya** has already been recognized as a Teachers' Training College (Secondary) within terms of providing high-quality education to the students.

Success does not respond to wisher. It responds only to definite plans backed by definite design through constant persistence and this constant persistence of the Teaching, Non-teaching staff and member of the Governing Body have made them able to successful.

The academic performance has been consistently spectacular particularly at the **Baba Saheb Ambedkar Education University** and also **Vidyasagar University** too.

Several constructional projects are going on with the full financial support from **UGC, ERO, Kolkata** and **Govt. of West Bengal** to cope with the demand of Higher Education.

Once again, I offer, my heartfelt thanks to all the members of the Governing Body, Teaching Staff and Non-teaching staff and students for their sincere service.

**General Information:**

Hostel of the College plays an important part in its training programme. The college and the Hostel form a single unit. Trainees should abide by not only the rules and disciplines of the College, but also those of the Hostel.

Discipline in day-to-day life helps to bring forth one's latent potentialities in a systematic manner. Not only that, it promotes a healthy relationship between the teachers, the taught and the management to live a healthy community life, thereby

making them imbibe a spirit of service and mutual co-operation, which is essential in the pursuit of knowledge.

The Sevayatan Sikshan Mahavidyalaya, one of the premier and oldest (Established in 1959) Teacher Training Institute for Boys. Now there are one boys hostel and two girls hostels can house about 160 plus students (Boy-60 & Girls 100). The Boys hostel totally being repaired renovated and coloured under the financial help of Deptt. of Higher Education, Govt. of West Bengal 2014-15 session.

The girls hostel newly constructed (2014) under financial support from UGC.

The hostels are nestled in bush green; eco-friendly surroundings with open play grounds. The hostels are being protected through boundary wall surroundings the hostels blocks. The whole hostel blocks are lighted at night with sufficient solar lights. During power failure the boarders can use solar light in their rooms. The guest rooms for visiting parents of students are also available. All in all, the hostel life in the campus is one of the most enviable among the student community, providing the students with a conducive atmosphere for learning.

- Only bonafide students of the Institute with valid student registration numbers of students having letter of admission issued by college office section are eligible to be given accommodation in the hostel.
- Absence from the hostel without permission from the Principal, Council of Wardens, may entail cancellation of membership.

A Brief History of

SEVAYATAN SIKSHAN MAHAVIDYALAYA

The history and heritage of Sevayatan Sikshan Mahavidyalaya is undoubtedly as old as Eden and far as the stars.

This premier Centre of Education and Training owes its origin to the tireless strivings and altruistic outlook of Revered Swami Satyananda Giri Maharaj widely known as the Principal maker of Sevayatan at a time when this locality was sparsely populated and the population of this obscure locality scarcely experienced the ray of learning and modernity.

The mendicant monk felt an urge to establish this teacher's training college in the year 1959, sponsored by the Govt. of West Bengal in Sevayatan locality and kindled the light of knowledge and leading. In the nascent state the college had to face and brave innumerable hurdles. The sapling of the past has become a full grown tree in the present. The college is now in a burgeoning state conceptualised in a sprawling building likely to provide infrastructural facility to the trainees. Currently two spacious classrooms have been constructed with UGC financial aid for M. A. in Education classes likely to start formally. In addition, this college has one boys' and two ladies hostel to provide accommodation to trainees/students from distant places.

Of late the entire college building has undergone facelift and wears a new and attractive look. To ensure safety and security to the students lofty boundary walls have been constructed surrounding the whole college campus. Moreover, this college strives to blend the educational ideal of ancient India with the requirements and modifications of modern times in order to disseminate knowledge and learning to produce holistically developed individuals with eclectic vision.

However this college has reached the pink of progress and glory under the dedication and efficiency of the all the teaching and non-teaching staff of the college. Their ceaseless striving and innovative role helps the outstanding academic progress of the institution. Precisely speaking, this college has come a long way and has carved out niche for itself in its aim of dissemination of quality education in the academically challenged "Jangal Mahal Area".

Probably it would not be an exaggeration to remark that the pedestrians on the way in close proximity of the flower garden would seldom take their eyes off the beautiful flowers that smile and bloom in the frontal garden of the college.

Lastly: "A good teacher affects eternity: he can never tell where his influence stops." - Henry Adams.

Principal's Column:

"A Teacher is a compass that activates the magnets of curiosity, knowledge and wisdom in the pupils". - Ever Garrison.

The success of any nation depends on the youth who further depends upon the quality of instruction. New age education is dominated today by DICE - Design, Innovation, Creativity and Entrepreneurship. It is important to orient young minds in understanding innovative learning practices to capture the new elements of DICE. Knowledge and its application are the only way, by which this can be achieved. The role of the teacher may have changed but the teacher still remains a vital guide and leader in a student's educational journey. No other profession is designed to have such a transformative effect upon the lives of individuals in our society than teaching. We intend to keep working to help our current and future students to advance in their careers and achieve their goals.

Sevayatan Sikshan Mahavidyalaya is consisting in a vast area. Well maintained garden, many large class rooms, one Boys & two Girls' hostels, a large football ground and green surrounding are offering a real educational environment. I think that this educational institution will fulfil and satisfy the expectation of the trainees and students.

The college has completed a very successful 65 years of great glorious educational service to the society. It's a time we ponder what has been achieved during this long period and renewed resolve for filling a social need.

It was the vision of our founder members that this institution should provide selfless service in the field of education. Sevayatan Sikshan Mahavidyalaya has already been recognized as a Teachers' Training College (Secondary) within terms of providing high-quality education to the students. Now M.A. in Education Programme likely to be start hear.

Success does not respond to wisher. It responds only to definite plans backed by definite design through constant persistence and this constant persistence of the Teaching, Non-teaching staff and member of the Governing Body have made them able to successful.

The academic performance has been consistently spectacular particularly at the Baba Saheb Ambedkar Education University and also Vidyasagar University too.

Several constructional projects are going on with the full financial support from UGC, ERO, Kolkata and Govt. of West Bengal to cope with the demand of Higher Education.

Once again, I offer, my heartfelt thanks to all the members of the Governing Body, Teaching Staff and Non-teaching staff, Librarian and students for their sincere service.
